Directions

Leave Romsey on the A27 towards Salisbury and Sherfield English.

After a mile or more, you will see on your left the "School: Children Crossing" sign, followed immediately by a white sign proclaiming "Hampshire Collegiate School". Take the first left after these signs, into the gated entrance to the school grounds.

Follow the drive all the way down the hill, (bearing right at the first junction), over the (many!) speed bumps past the junior school on your right and up to a roundabout just before the start of the senior school buildings. Go a few yards straight across the roundabout and park by the single tree in the car park immediately ahead of you.

To reach the sports hall you need to go left by the tree in front of you and then turn right. Walk alongside the building on your left. Climb down the stairs on the other side of the handrails. Keeping the stairs to your left walk between the two building until you get to a car park area. Walk diagonally across this car park to the sports hall ahead and on your left (follow the green line).
